# Mindnotes notebooks

Mindnotes is a brand of prestigious advertising notebooks, available in hundreds of versions with tailor-made features to suit the needs of every advertiser.

The offer includes a vast choice of different coverings, colors, patterns and textures. The notebooks are available in soft and hard covers, embossed or custom printed, with various finishing types.

Each element of the notebook can be customised to match the spirit of the brand and the customer's expectations.

Mindnotes notebooks are always the right choice and a perfect product for all advertising purposes.

The image shows three notebooks stacked diagonally. The top notebook is red, the middle one is dark blue, and the bottom one is black. The black notebook has a large, circular, blind-debossed logo on its cover. The logo features a laurel wreath surrounding a large letter 'M' and the year '1906' below it. A white text box is overlaid on the left side of the notebooks.

## Florence

---

Heat-sensitive cover material that resembles nubuck. Finished with a soft, fluffy surface, Florence stands for durability, quality and luxury with a really soft touch. Will provide unsurpassed results with blind debossing techniques.
